

Agreement and authorization of its execution and implementation. Bangladesh is a party to the Treaty on the Non-Proliferation of Nuclear Weapons (NPT) and is fully in compliance with its nuclear nonproliferation commitments under that Treaty. In my judgment, continued performance of the Agreement for Cooperation between the United States of America and the People's Republic of Bangladesh Concerning Peaceful Uses of Nuclear Energy will promote, and not constitute an unreasonable risk to, the common defense and security. Apart from the proposed extension, the Agreement for Cooperation will remain in all other respects the same as that which was favorably reviewed by the Congress in 1982. The Department of State, the Department of Energy, and the Nuclear Regulatory Commission have reaffirmed their favorable views regarding the original NPAS as well as the conclusions contained herein.

This transmission shall constitute a submittal for purposes of both sections 123 b. and 123 d. of the Act. My Administration is prepared to begin immediately the consultations with the Senate Foreign Relations Committee and the House International Relations Committee as provided in section 123 b. Upon completion of the period of 30 days of continuous session provided for in section 123 b., the period of 60 days of continuous session provided for in section 123 d. shall commence.
